SOCIAL SKILLS

- Efficient in working and adapting to new locations and with new teams (our continuous moving life in different cities in India helped me with this)
- Better technical skills, with love to teach and help new teammates made me confident with my skills.
- Good and skilled seniors helped me gain a huge part of my knowledge base.
- Everyday practice and many tutorials helped me gain more experience.
- Technical leadership and dedication to my work is what I am always looking forward to in my journey
